MEMORANDUM

RE: State Accreditation of Teacher Preparation Program—
University of Evansville

The University of Evansville agreed to host an accreditation visit in Spring 2001 based on NCATE's new performance-based standards. By being one of the first institutions to do so, the University of Evansville contributed to the refining of the implementation of these new standards. As a result, final approval of NCATE accreditation required more time while the Unit Assessment Board also evaluated its processes in light of the new standards. The University of Evansville should be commended for its efforts to assist in this implementation process.

The Board of Examiners Report indicated the following status of this program.

Standard 1	Standard 2	Standard 3	Standard 4	Standard 5	Standard 6
<u>Met</u> with one weakness	<u>Met</u>	<u>Met</u> with two weaknesses	<u>Met</u> with one weakness	<u>Met</u> with two weaknesses	<u>Met</u>

Teacher Education Committee Recommendation:

Accreditation is continued at the initial teacher preparation level. The next on-site visit will take place in Spring 2006.
